

YEARBOOK PHOTO REQUEST

Attention Parents!

Following past success, we thought it would be fun to once again dedicate a page to our 5th graders, showing them in all of their Kindergarten glory! However, to do this, we need **YOUR HELP!**

Although we have a selection of photos of students who have been at WES since they started K, many of the current students started after their K year. This being the case, I would really appreciate it if you could email me a photo of your child when they were in Kindergarten and label the file with your child's name. Please email the photos by **Friday, March 2nd.**

Photos can be emailed to **rosemaryrostravels@gmail.com**. If you have any questions, please do not hesitate to contact me via e-mail or call me on 919-670-7933.

Thank you!

Rosemary Ros
