

Minutes from the Jan 5, 2010 PTA Board Meeting

Membership meeting was going to be Feb 11, and we were trying for a tech night and art night, but we do not have enough time.

We decided that the next membership meeting would be on March 11th right before the talent show. The Feb. meeting was cancelled.

We are in need of a nominating committee for 2010 and 2011. Starlynn resigned as president elect, president next year. We need an odd number of people on the nominating committee, and at least one person must not be on the board this year.

Kiwanas club must be contacted for the 3rd grade dictionaries. They donate them and we give them a donation.

School store is not to buy anything else until the current inventory is sold.

Career day for school will be a day in the second week of Feb. Mrs. Williams is looking for 2 volunteers to help her plan it and 2 or more volunteers to help run it that day.

Julie Fulmer is now the chairperson of Teacher Appreciation day. Rhonda Cassidy stepped down from that position.

Stacey reviewed the budget. We had 100 fewer yearbooks sold this year than last year. We will be encouraging parents to write and pay for dedications for their kids to help offset the price.

Celeste Massie needs to fill out a check request form and Mary Beth Cristinziano will get one to her ASAP.

We are having a lot of bounced checks and the bank checks are higher because of it.

Announcements should be made the week of spirit days so kids remember to show their spirit on the given Fridays.

Calendar was reviewed.

Meeting was adjourned.
